

After a modest beginning in July 1971, KFPL has carved a distinct niche for itself in the production of fasteners. Our phenomenal road to success has all along been paved with a strong committed principle of product accuracy, impeccable service, continuous innovation & stringent analysis of the changing market environment. We have succeeded in fulfilling the varied needs of our clientele and maintaining an enduring & rewarding relationship with them. KFPL is, thus, the obvious choice of several renowned industries.

Our support system boasts of state-of-the-art machinery ably supported by dedicated skilled labourers, thus aiding in the manufacture of high-grade fasteners. We are ever striving to enhance our services & network to serve you better. Our products are exported across three continents
